**NEW
FOR 2017**

Cat® D10T2 Track-Type Tractor

The Cat® D10T2 continues the D10 legacy as a highly productive large tractor used worldwide in a wide variety of applications including mining, heavy construction and bulk materials handling. With refinements to its power train, automated controls and robust structures, the D10T2 offers superior fuel efficiency, long-life reliability and enhanced access for service technicians and operators.

The D10T2 is powered by a Cat C27 ACERT™ engine that meets U.S. EPA Tier 4 Final emissions standards.
