## The Richness of Copper

Finished in a beautiful hand-rubbed copper-plated finish, this new addition to the commemorative series is small in scale, but rich in finish and details.

The 797F is the most productive 400 ton truck in the market. It's fast, fuel efficient and delivers class-leading productivity.

Presented in a top-quality, flip-top display package with the model set into a removable mirrored base, this special 1:125 scale 797F Mining Truck is a great piece to add to your collection.
