CORE CLASSICS Cat® CG260-16 Generator

ITEM NUMBER
85287c
Scale 1:25

Whether natural gas, biogas, coal gas, associated gas or synthesis gas, the Cat® CG260-16 has the power to run your operation. Producing 4000 ekw at 900 rpm, this Genset is efficient and provides long maintenance intervals to keep your plant profitable.

This Core Classics model is one in a series made up of the most popular diecast models ever made and pays homage to the vast legacy of Cat® machines in the field. Packaging is reminiscent of the "plain brown" parts boxes with which machine owners and operators are so familiar.

Key Features

- Authentic Cat Machine yellow paint
- Authentic Cat trade dress and safety decals
- Detailed engine cylinders, oil filters and air cleaners
- Detailed operators' panel
- Realistic silver accent engine components
- Mounted on heavy metal display base
