The Beauty of Copper

Finished in a luxurious hand-rubber copper-plated finish, this new addition to the commemorative series is small in scale, but rich in finish and details.

The 994K has become the top customer choice in its class for over 25 years. Built to handle the toughest working conditions while providing easier maintenance and repair ... year after year, rebuild after rebuild.

Presented in a top quality, flip-top display package with the model set into a removeable mirrored base, this 1:125 scale 994K wheel loader is another great model to add to your collection.
