Scale 1:50

*Featuring the scuffs and scrapes  
of a real working machine.*

**WEATHERED  
SERIES**

Taking the workhorse Cat® D9T and adding the realistic weathering of a real working machine. The Cat D9T is known for its versatile productivity in heavy construction, quarries, landfills, forests, and mines. The durable design makes repair, maintenance and rebuild easy. A wide range of application-specific blades make this machine even more flexible.

The professional weathering applied to this machine makes it ready for any diorama application, or display on the specially designed realistic dirt base plate.
