**WEATHERED
SERIES**

Taking the Cat[®] 966M and adding the realistic weathering of a real working machine. The Cat 966M Medium Wheel Loaders is a simple, reliable, durable under 51176 pound machine for contractors looking for a general construction solution. The Cat C9.3 engine delivers ample horsepower for lifting and digging capacity.

The professional weathering applied to this machine makes it ready for any diorama application, or display on the specially designed realistic dirt base.
