CAT[®] 745M WEATHERED Articulated Truck

ITEM NUMBER

85704

Scale 1:50

*Featuring the scuffs
and scrapes of a
real working machine.*

**WEATHERED
SERIES**

Taking the Cat[®] 745 and adding the realistic weathering of a real working machine. The Cat 745 features a world-class cab design, re-engineered using global operator feedback to advance comfort and ease of operation. The Cat C18 engine delivers ample horsepower for lifting and digging capacity.

The professional weathering applied to this machine makes it ready for any diorama application, or display on the specially designed realistic dirt base.
